11.2 NDRRA/QDRF REPORT

Executive Summary:

QRA20: The QRA20 project is 100% complete. Two (2) submissions have been acquitted and Council have received the final payments. A final outcome report has been received for the remaining two (2) submissions and final payments to Council are expected shortly.

QRA21: The QRA21 project is approximately 82.9% complete. Construction has now recommenced with the QRA21 scope being prioritised to ensure deadlines are met. The current construction program has been compiled to complete all submissions prior to the EOT deadline of 31 December 2023.

QRA22: The QRA22 project is approximately 61.3% complete. Roads with both QRA21 and QRA22 scope have been programmed together where possible to reduce camp and establishment costs. The QRA22 program of work has a deadline of 30 June 2024.

QRA23 Carpentaria Shire Council has been activated for REPA, Emergency Works and CDO relief measures. Emergency Works will continue to restore access where required within the Shire. Damage pickup has been completed and submissions are currently being prepared in the QRA MARS system. QRA21 and QRA22 scope that received significant additional damage will be submitted to be rolled over into the QRA23 submissions.

RRUPP Two (2) Remote Roads Upgrade Pilot Program (RRUPP) projects have been approved for construction. Construction is anticipated to be completed in conjunction with QRA23 scope as per the funding agreement.

OTHER The Mitchell River Bridge project is progressing with preliminary design and options analysis.
