9.2 NEW PLANNING SCHEME

Executive Summary:

Council resolved in 2022 to prepare a new planning scheme for Carpentaria Shire under the Planning Act 2016. The new planning scheme will establish an integrated contemporary policy framework and a development assessment system that provides greater clarity and simplicity for the community, applicants and Council. Regulation can be targeted to where it can add value, while removing unnecessary impediments and complexity.

The draft planning scheme was publicly notified from 25 September to 4 November 2023. Only one submission was received during that time, which was Council's own submission to itself dealing with a change to the defined flood level as an interim measure while new flood modelling is being prepared. Changes have been made to the draft planning scheme to give effect to this change (a revised draft planning scheme is attached).

Under step 14 of the chief executive's section 18 notice (attached), Council must now give the Minister a notice to request adoption of the proposed planning scheme. This request must include:

- (a) a copy of the proposed planning scheme, with proposed changes identified;
- (b) a report that identifies the changes proposed, why they were made; and
- (c) a consultation report outlining activities undertaken and submissions received.

A copy of the proposed report to the minister is attached.

Council should be aware that the Minister may determine that the change proposed relating to the defined flood level may be a significant change to the version of the draft scheme that was publicly notified. If this is the case, the Minister may require the change to go through a second round of public notification.

The Minister is likely to take around 40 business days to advise Council of his decision.

COUNCIL RESOLUTION

Moved Cr Gallagher

Seconded Cr Hawkins

That Council requests the Minister's agreement to the adoption of the proposed planning scheme, and to provide the required reporting to the Minister, in accordance with step 14 of the Chief Executive's section 18 notice.
